

RAT (Rapid Assessment Team) Sample Collection Procedure

RAT (Rapid Assessment Team) Sample Collection Form

Observation of Potential Oiled Area By Reconnaissance

Date: _____ Time: _____

Observer: _____ Affiliation: _____

Description of finding necessitating RAT deployment:

Signature: _____

Name (Print): _____ Affiliation: _____

Completed By
Reconnaissance

Sample Collection Information

Date: _____ Time: _____

Coordinate Information (WGS 84 decimal degrees)

Latitude: _____ Longitude: _____

Visual Observations Made by Sampler:

Signature: _____

Name (Print): _____ Affiliation: _____

Completed By RAT

Visual Observations Made by Operations:

Signature: _____

Name (Print): _____ Affiliation: _____

Completed By OPS

Conclusions/Actions Taken (if any) by Operations based on visual observations:

Signature: _____

Name (Print): _____ Affiliation: _____

Completed By OPS
